MARION MAN MISSING 10 DAYS FOUND DEAD

NEW CLUES AID KIDNAP SEARCH

Man Who Fleed Newstand in Fright Sought Near San Bernardino, Calif.

HUNT WIDE AND INTENSE

Autopsy Indicates Boy Fought Desperately Stab Wound Almost Pierced Body

(The Associated Press) — Tacoma, Wash., Jan. 13.—Armed with valuable clues, officers hunted widely today from northernmost Washington to the California Mexican border for the kidnaper of 11-year-old Charles Mattson, who was sought by Sheriff of Riverside County, Calif., after the crime was solved quickly.

A man who became frightened and ran away from a newstand in the vicinity of San Bernardino, Calif., was the focus of a wide and intense hunt today.

Federal investigators displayed some interest in an unidentified man reported to have acted queer while traveling on a bus ticket issued in Los Angeles, and whose frozen body was found in central Missouri. He was described as 60 older than the age generally attributed to the kidnaper.

Search Intensified — The search was as intense as it was wide. Federal agents checking from house to house in the Tacoma area.

Department of Justice operatives kept secret whether they sought one or two men for the brutal crime, but they had definite clues to guide them. The man who played the principal role.

One man, found from the back almost pierced the body, missed vital organs and left Charles in a state of unconsciousness. He was found in a ditch near the San Bernardino border.

The autopsy also indicated the boy fought fiercely the newspaper said, and death had occurred possibly six days before the frozen body was discovered.

Law officers also limited a long knife as one of the most important clues to the identity of the killer.

The knife was used in inflicting the deep wound in the kidnaper's back. A blow on the head.

The same sources said the wound was narrow, apparently made by a long, sharp blade. They said either a carving knife or a large pen knife had been used.

The wound was one of the chief reasons for the autopsy performed under orders of the federal bureau of investigation Monday night.

Mr. W. W. Mattson, father of the boy who was slain, said he paid the \$20,000 ransom demanded. He indicated he believed there was more than one kidnaper. When told the boy and his frozen corpse found near Everett Monday was that of his boy he cried:

"I feared it. I feared when they pulled that boy out into the night that something like this would happen."

These friends, however, have indicated only one kidnaper was involved. Paul Seaver, spokesman for the family, invariably referred to the kidnaper as "he."

Several Good Clues — Known clues leading the hunt were the physical description of the kidnaper, the peculiar ink and type used in the ransom note, the same peculiarities repeated in possibly handwriting in two letters to Dr. Mattson, a plaster-of-paris cast of his sock covered shoes, the prints of an automobile used to carry the body of the boy and the peculiarities of the killers' personality.

Authorities suggested that in all cases of suspects investigators obtain if possible sample of the man's handwriting, his fingerprints and his shoe prints.

They said the man might be showing great fear, possibly, so much his speech would be incoherent.

PETITION TO SELL OLD CHURCH FILED

Special to The Star
DELAWARE, Jan. 12.—A petition requesting the sale of an old Baptist church in Berlin township northwest of Cheshire was filed in the Delaware county common pleas court this week by Harry S. Irwin of south of Delaware who also requests that out of the proceeds of the sale after payment of costs and expenses the balance may be disposed of by the court. The petition asserts that the Baptist church religious society has ceased to function as a church and all services have been abandoned for more than 50 years. After the building was abandoned it was used as the Berlin township house. The property concerned in the petition does not include a nearby cemetery.

Famous Inaugurations Dramatic Entrances and Exits Mark Historic Presidential Inaugurations

HARDING TAKES OFFICE
Under circumstances made dramatic by the faltering exit of disease-ridden Woodrow Wilson, Warren G. Harding (right) raised his hand above the crowd at his inauguration on March 4, 1921, and was sworn in by Chief Justice Edward D. White (left). Calvin Coolidge is at extreme right.

This is the second of three articles on Presidential inaugurations. BY ALEXANDER H. GEORGE (Associated Press Feature Service Writer)
WASHINGTON, Jan. 10.—Polignat nation stirring drama more than once has attended the inaugural pageants of the presidents. When Abraham Lincoln came to Washington for his first inauguration the nation was on the brink of civil war seven states already had left the Union and a heavy atmosphere of uneasiness hung over the capital. It was said that three-fourths of the city's inhabitants regarded the incoming chief executive as an enemy.

LINCOLN BECOMES PRESIDENT
Accompanied by a heavy guard Abraham Lincoln slipped into a Washington rifle with rumors of assassination plots and took the oath of allegiance for the first time in 1801 in a crude wooden enclosure while the high hats of the day looked on.

Let the Ohioan was the first of the two to die. As Wilson walked falteringly to his car he remarked to Sen. Knox of Pennsylvania: "The senate has thrown me down but I am not going to fall down. He was referring to the senate's defeat of his proposal that the United States enter the League of Nations. As the automobile sped by the White House on the way to his private home in 6 street Wilson never glanced at the mansion which had been his home during eight highly dramatic years. Dramatic because of its extremely humble homespun setting was the first inauguration of Calvin Coolidge who took the oath of office at 2:47 in the morning in the lamplighted sitting room of the Vermont farm house where he was born. Called from his sleep by a messenger telling of the death of President Harding in San Francisco, Coolidge had dressed quickly. A trifle pale but composed he walked down the old stairway of his boyhood days into the sitting room. Mrs. Coolidge weeping followed him. Coolidge's father administered the oath. The new president stood with right hand on his chest and on the side of a little table with Mrs. Coolidge beside him. Across the table his father face beaming and color trembling read the few words of the oath in prescriptive protect and defend the Constitution.

tion of the United States." And Calvin Coolidge, paragon of speech, added "so help me God."

20 Rural Teams To Clash in Eighth Round Contests

SQUADS TO REACH THREE-QUARTER MARK IN LEAGUE SEASON

Only Two Unbeaten Girls' Sextets is County To Meet Friday

County boys teams will reach the three-quarter mark of a 12-game schedule when they participate in eighth round games Friday night. High honors will be at stake in both leagues as half a year and girls teams from 10 of the county schools swing into the home stretch in the races for league titles.

Games this Friday night will find Kirkpatrick at Waldo Pleasant at Marij. Caladonia at Chariton. Agwin at Prospect. El Moral at Green Camp. With the eleventh member of the league Latue idle in loop competition.

Teams in the boys division will be do fighting for better positions in the standings while in the girls league the only two undefeated squads in the county are set to clash. Waldo and Kirkpatrick girls teams each have won five consecutive games and this week come the supreme test when they square face each other on the Waldo court.

The down county eastern champions of the loop for the past two seasons are slight favorites to cop the match and win through the remainder of the season to another championship.

It is a wide open race in the boys division with three teams holding records of but one defeat two defeated but twice and a trio with only three games on the red side of the ledger. With the completion of contests last week Pleasant High entered into first place holding a record of five victories in six games followed by Agwin with four wins out of five and Chariton with three victories in four games.

Prior to last week Agwin was

Harding Players Among High Scorers in N.C.O.

Although the Harding High basketball team is in fourth position in the North Central Ohio basketball conference, one member of the

undisputed leader of the boys division having been previously defeated. Of the three teams which have been downed only once it appears that Agwin will have the toughest assignment this week.

The Moon reached aggregation will travel to Prospect to meet the club which holds fourth position. Pleasant is scheduled to go into action on the Marij court while Chariton entertains Caladonia.

Aside from temporary leadership and a probable championship bid, at stake in the Kirkpatrick invasion of Waldo other games in the girls division should provide plenty of interesting entertainment. Marij and Green Camp teams (10) with records of four victories in six games will clash on the Green Camp court. Caladonia in second place behind the pair tied for leadership will travel to Chariton to meet a team which has broken even in four games. The fifth of the girls contests all of which are played as preliminary games to the boys division will find Marij entertaining Pleasant.

Forest Lawn cagers tightened their grip on first place in the M. C. A. Senior Sunday school league last night when they scored a 39 to 14 win over their closest rival the Wesley quintet. The winning team advanced its lead in the loop to a full game and Trinity Baptist formerly in third place slipped into the runner up spot as Wesley dropped to third.

Snyder, towering forward of the league leading quintet paced the Forest Lawn team to its easy victory over Wesley. He bombarded the basket for six successful shots from action and two from the free throw line. Wesley's team collected only one more field goal than Snyder, with Detweiler and Shapard getting three each, and Shapard adding one.

Likewise Trinity Baptist entry jumped to a 40 to 10 victory over the Reformed entry. Every member except one of the winning team broke into the scoring column. All dumped in seven goals and a free throw to lead the scoring. Followed closely by Holaday who flung an even half dozen shots through the hoop.

Although Moon Salem forward shared high scoring honors in the United Brethren team, which they team dropped to a 27 to 20 defeat at the hands of a strong offensive launched by the opposition. Moon collected 11 points on five goals and a free throw, while Rupp of the opposing club gained the same number of points on four goals and three free throws from the foul line.

Golf Association Head Pleased by Expansion Of Game in 1936

NOTE: This is another of a series of stories written especially for the Associated Press by the United States Golf Association. They deal with 1936 developments and 1937 prospects.

By The Associated Press
NEW YORK, Jan. 13.—The year just closed has been full of interest in the golf world both on the playing and the administrative sides.

As the former perhaps the most significant fact is that a record field entered the 1936 U. S. Open championship, the 17th annual U. S. Open championship attracted 17 competitors. The sectional qualifying rounds were crowded at more points than ever before.

WESLEYAN BARELY MISSES CHANCE TO TOPPLE BEARCATS

As Result Ohio U. Holds Undisputed Head in Buckeye Cage Loop

By The Associated Press
OHIO, Jan. 11.—The undisputed possession of the Buckeye conference lead today but an unheralded Ohio Wesleyan forward gave the Bobcats a scare before things were settled.

The Bishops were behind 11 to 21 at the half in last night's contest one of nine on the Ohio college basketball schedule. Five minutes before the gun Mr. Adams started counting and made five goals from all angles for 10 points. Ohio U. was 36 to 31 to hang up its third straight loop victory and its eighth 10 starts.

Marshall college of Huntington W. Va. with two victories is the only other Buckeye unbeaten. Marshall also invades Delaware Saturday and can knot the race again by winning.

Marshall's Bearcats hung up a 32-25 win over Miami at Cincinnati for their first conference win in three starts. Case rang the bell at Cleveland with a 18-38 triumph over John Carroll and Ohio Northern downed Capital at Columbus 45-25 in the two Ohio conference encounters.

In independent games, Dayton of the Buckeye loop at home floor to Huntington, 31 to 32. Ashland topped its alumni 45 to 31. Findlay spanked Bluffton 35 to 20. Huron lost at Youngstown college 24-40 and Penn. of Cleveland dropped a 32-29 decision to Thiel at Greenville Pa.

Counting all games played the Ohio and Ohio Northern triumphs tied them with Mount Union for second in the Ohio standings with four wins and none lost. Muskingum won top with victories in all of its five starts.

JUNIOR HIGH TEAMS TO MEET THURSDAY

Vernon Heights and Central Junior High school basketball teams will clash tomorrow night on the Vernon court. The game was originally scheduled for Friday night but was changed to avoid a conflict with the Harding High team which meets Ashland here in an N. C. O. game Friday night.

The junior high game will be the first in the city league for Vernon. Vernon won both its varsity and reserve game in a meeting with Central High cagers in the opening round of the league last Friday night.

1936 WAS GOOD YEAR FOR HARNESS RACING BUT BETTING LAGS

1046 Horses Take Part in 79 Events in Ohio, Associations Told

By The Associated Press
COLUMBUS, O., Jan. 13.—Seven months of harness racing meting in Ohio were presented in a race record book published today by the Ohio Horse Raisers' Association.

Other figures included in the annual season of the two groups were the county fair attendance increased all over the state that the speed of the races attracted capacity crowds each day and that 294 Ohio-bred horses were among the campaigners. Mr. Don A. DeRiva of Bellefontaine executive secretary of both associations said that Ohio had more harness horse owners, trainers, drivers and trotters and pacers than any other state in the union.

Ryan said that in 1935 at 19 county fairs and three independent exhibitions where pari-mutuel betting prevailed a total of \$735,000 was wagered. In 1936 at 19 county fairs and four independent events the figure skidded to \$305,000.

Six drivers and their horses were suspended indefinitely by the association. They were Charles T. Martin of Sandusky and his horse Halley Boy, Robert Biehl of Sandusky and his pacer Collette George Harold of Buffalo N. Y. and his pacer Hartford all suspended for racing out of class. R. J. Stotler of Sandusky suspended until payment is made on a \$150 check to the Scioto County Agricultural society. E. P. Cranmer of Salem and his pacer Mr. Evergreen and Scott Hillgas of Cadiz and his pacer the Great Cochalo both for non-payment of entrance fees.

The year 1937 will see further consideration of the stymie problem which has been the subject of much recent agitation. The association gathered a considerable amount of statistical information from the competitors in the 1936 amateur championship. In addition the agitation throughout the country has been re-iterated in much discussion which is still going on. The association will have the benefit of all of this in arriving at its final determination of the question. Several suggestions have been made and are receiving the most careful consideration of the association's rules and executive committee.

SLIDING FROCK WINS ADMIRATION WHEREVER YOU WEAR IT!

"Sliding" is just the word for this lovely, slender-line frock! For women who wear Pattern 4295, will appear slim, young, and pretty in any setting! What could equal the appeal of the deep V, which is by a trim vest that's lived by these day buttons! Then, too, you're fascinated choice of these different length sleeves! Anne Adams readily tell you that the new up-to-date skirt-yoke, cut in with the new panel, is the latest thing in the fashion world, and the feature makes you look inches slimmer! Wherever you wear this frock you're sure to be the center of admiring glances, and no one will ever guess how easily you make it! Choose monotone crepe, rayon silk and heavy georgette. Pattern 4295 is available in sizes 34, 36, 38, 40, 42, 44, 46 and 48. Size 36 takes 2 1/2 yards 36 inch fabric. Includes georgette sewing instructions included.
